- **Price:** The Pool & Spa Shop are agents for Statewide Pools, South Australia's only fully owned and operated Fibreglass Pool Manufacturer. With no interstate freight costs or franchise fees our prices are unbeatable!
- **Quality:** is of the upmost importance to The Pool & Spa shop, and this is reflected in the design & construction of our pools. Our pool shells are structurally superior to other shells on the market. They are manufactured with a 10mm thick Fibreglass shell with Structural Ribbing only 440mm apart. This is thicker & closer together than the Australian Standards require.
- **Customer Service:** These are just some of the reasons our customers chose to purchase a pool from The Pool & Spa Shop. Our hallmark is our exceptional customer service and attention to detail, to provide our customers with an outstanding experience from beginning to end.
- You can also rest assured that your new pool & equipment will be installed to the highest standards. Our company only uses experienced pool professionals and does not use sub-contractors to do the work.

Manufactured with a 10mm thick Full Fibreglass Shell

Statewide Pools are manufactured with a 10mm thick Fibreglass shell, with the structural ribbing 440mm apart. This is thicker and closer together than the Australian Standard and any other fibreglass pool on the Australian market. As a result, Statewide Pools have a 25 year Warranty.

We are proud to fit Davey equipment to all our fibreglass pools. What better pump to have than one used by our CFS.

Economical High Quality

The Statewide range is a high quality product at an economical price. The range takes the whole family into consideration, with ample seating areas while still maintaining large swimming areas.
